D. Driveways as authorized by Subsection 11.03 (F)

Amend Article XI - ADMINISTRATION

Add new Subsection to Section 11.03 DRIVEWAY PERMITS:

* * * * *

F. Whenever the applicant proposes to locate a driveway wholly or partly within the setback abutting upon an adjoining property, the application shall include a statement from the abutting property owner indicating that he/she has no objection to the proposed location. If the application does not include such a statement, the Selectmen shall deny the application and refer the applicant to the Board of Adjustment for a determination as to whether or not it should be allowed by special exception.
