DISCUSSION ITEMS AND MOTIONS:

There have been several complaints regarding dogs running in the road not under the control of their owners. Lauren Bradley will write a request that residents be considerate of their neighbors and have their pets under control at all times. This notice will be laminated and posted.

There was also a complaint of property owners placing their trash out too early for pick up. Trash is picked up every Tuesday and should not be put out before 7AM on Tuesday. Animals rip through the trash and the wind takes it into neighboring yards.

Michele Cormier asked John Turner to communicate with Kevin Rousseau regarding the status of street sweeping and the grading of the dirt roads in town. Michele also asked about the status of the damage to one of the resident’s walls Kevin was looking into.

Not all board members are able to make the June 14th meeting with Erin Darrow of Right-Angle Engineering on the status of Durand Road. Lauren Bradley will contact Erin Darrow to see if there is a more suitable date for all to attend.

School Board has not met since a letter was sent to them regarding the school bus. Their next meeting is scheduled for June 5, 2019.

A bid was received to repair the damage to the Municipal Building and a separate bid to correct the problems in the training room. The board decided to wait until the end of the month to review the bids.

Linda spoke to the board regarding the three lot line adjustments granted by the Planning Board. Paperwork work has not been turned into the office regarding these lot line adjustment and they cannot be adjusted in the assessing system without proper documentation. It has been past policy

that upon approval the paperwork is given to the assessing office for processing and billing of any outstanding charges accumulated by the adjustment. Then the adjustments can be made in the assessing program. The town has about \$200.00 of charges paid by the town that needs to be compensated.

John Turner moved to adjourn at 7:35 PM.

Randolph Board of Selectmen

Michele Cormier, Co-Chairman

John Turner, Selectmen

Lauren Bradley, Co-Chairman

Linda Dupont, Assistant to the Selectmen
