- IV. Accident Site Memorial - The American Legion, Post 82 of Gorham, NH has approached the Town of Randolph to put a permanent memorial near the site of the motorcycle accident of 2019. Since this land falls under the management of the Randolph Forest Commission, a discussion regarding this project was initiated at this meeting. In addition, the Planning Board will be holding a Public Hearing for this project. The four members of American Legion Post 82 presented a simple site plan, and photos of the proposed granite monument. Discussion of location, approach, parking, maintenance, time frame for development and period of operation along with other details evolved. It was recommended that a Memorandum Of Understanding (MOU) would be developed by the RFC, and presented to the leadership of the American Legion, Post 82 for acceptance.

With no further business to discuss, the meeting was adjourned at 7:47 PM. The next meeting will be held Wednesday, October 2, 2019, at 7:00 PM in the Randolph Town Hall.
