DISCUSSION ITEMS AND MOTIONS:

The board reviewed and approved a septic plan for 600 Durand Road. A building permit for Solar Array was submitted by Leslie and Samuel Morneweck. This was reviewed by the board and approved.

The board met with Erin Darrow of Right-Angle Engineering to review the progress and changes to the drawings of reconstruction of Durand Road. Another meeting is scheduled for January 19, 2020.

The 911 address identification system has been addressed several times in the past, the board requested Kevin to revisit this project, to bring cost estimates and check to see if the Fire Department Association could help offset the cost.

In reviewing the actual to budget, Michele Cormier moved to request \$57,016.00 from the Trustees of the Trust to be taken from the Roads and Bridges Expendable Trust. Lauren Bradley seconded the motion. All agreed.

Debois & King were in town last week to complete the 2019 bi-annual well testing. Kevin Rousseau was available to oversee the inspection and gave a report to the board. Kevin also noted there is one missing sign. Linda Dupont has it on order and Kevin will set it in the spring.

Michele Cormier moved to adjourn at 8:10 PM.
