DISCUSSION ITEMS AND MOTIONS:

John Scarinza presented a Conservation Easement to the Randolph Town Forest by Jeff Parker on property which is currently in the Current Use program. The Randolph Foundation has agreed to purchase the easement on behalf of the Town Forest. John was seeking the Select Board’s approval prior to addressing the Conservation Commission for their approval. Michele Cormier moved to approve the easement pending the recommendation of the Conservation Commission. Lauren Bradley seconded. All agreed.

Erin Darrow of Right-Angle Engineering phoned in lieu of meeting with the board on the progress of Durand Road Reconstruction Project. Erin brought up the need to begin Wetland permits which would need to have members of the Conservation Commission sign.

Erin has been working with Burke York and Jonathan Sisson on the wetland permits. Erin will send a packet to the town for review. The next meeting is scheduled for April 13, 2020.

John Scarinza was issued the Oath of Office to become the appointed representative of the Randolph Police Department.

A committee will be formed to look into Randolph’s needs and recommendations of the Randolph Police department. A list was formed of interested residents to be part of this process.

The board reviewed and signed a Current Use application for Steven Maddock. John Scarinza brought up questions regarding a Current Use application for the David McMurtrie Trust of the Current Use Program overlapping the Land Use Ordinances of the town. Linda will inquire to see if this causes a conflict.

The board reviewed and signed an application for a Solar Exemption for Margaret Baker.

Michele Cormier gave the Oath of Office to Kathleen Kelley via phone call, so she may begin her duties as the Town Treasurer.
