DISCUSSION ITEMS AND MOTIONS:

Kevin Rousseau discussed with Christopher Cross scheduling a meeting at his property on High Acres Road to discuss the storage of excess snow accumulated from plowing this coming winter. With the home in use over the winter the snow storage location would need to change to an area all can agree upon.

Christopher Cross has been reviewing the existing contract the town has with Spectrum dba Timer Warner. He stated that the contract is dated 2005 to be renewed in 2020. The original contract of the initial installation would have been in 1990. He is requesting additional information to continue his research: A copy of the original signed contract and the minutes of awarding the bid to Time Warner or minutes of the public hearing held. Christopher also noted that the town had referred to an arbitrator hired out of Conway to help negotiate the needs of the town at that time. He suggested developing a questionnaire to send out to the residents/property owners in town to get a clearer view of their opinion of service, need and satisfaction of the services being provided by Time Warner. Lauren Bradley agreed to research the town records to find the original documentation and needed information.

EMD Lauren Bradley spoke regarding going into Phase II of opening the Town Hall. With the increasing numbers in Coos County, the local schools are beginning to go remote on Fridays beginning in November.

The Library has submitted a COVID opening plan for the Board’s review. Linda Dupont has forwarded this plan to the Health Officer, Deputy Health Officer and the Town’s EMD. Dr McDowell has approved the plan as written. The board expressed concerns noting sanitization process is not included in the written plan. Michele Cormier will contact Librarian Yvonne Jenkins to review this section.

John Scarinza reported on the progress of the dredging of the Ravine House Pool. The dredging is moving along, he noted a comment by the excavation operator of the amount of rotten leaves built up at the bottom of the pool. If boards were removed prior to the leaves falling from the trees they would be washed out of the area eliminating this problem.

The board stated that certain dates have been set for the opening and closing of the pool area.

Lauren Bradley stated that a large NO LIFEGUARD ON DUTY sign still needs to be ordered and placed in specific areas of the pool site.

The meeting adjourned at 8:15 pm

Randolph Board of Selectmen

Michele Cormier, Co-Chairman

John Turner, Selectmen

Lauren Bradley, Co-Chairman

Linda Dupont, Assistant to the Selectmen
