Kevin Rousseau reported to the board, a tree had blown over on Valley Road last week. He noticed the tree in the road while plowing and moved it out of the road. A resident had called complaining that the tree was not removed. Valley Road being a State-owned Road is the responsibility of the NH DOT, the town is responsible for plowing only. Also, a resident on Durand Road had cut trees close to the road and left the fallen tree and brush in the ditch line close to the road. Letters will be sent to the resident on Valley Road and Durand Road.
