DISCUSSION ITEMS AND MOTIONS:

Bill Arnold voiced his displeasure with the Select board’s decision in contracting Daniels Landscaping LLC as the Town’s mowing and lawn service provider for the next two years. Bill argued that he would prefer a smaller company to mow the cemeteries at a lower cost. The board of Selectmen stated, they need to consider the Town’s needs as a whole when contracting this job, which involves the Ravine House Pool area, Town properties and the Cemeteries.

The board reviewed and approved two Building Permits:

- |       |         |              |
|-------|---------|--------------|
| 09-22 | Cormier | Trailer Shed |
| 10-22 | Bradley | Wood Shed    |

Linda Dupont presented the first half 2021 Tax Warrant for the board to review and sign.

Kevin Rousseau stated that he expects the grader to be here within the next few days. He has been acquiring gravel in preparation. Michele Cormier noted Boothman lane is in poor condition and is hopeful that the grader can resolve the issues that are developing. Kevin stated that when they drop the gravel in that area, he will acquire a roller to pack down the added gravel. Kevin noted that Bailargeon Road is in need of addressing this year and intends to focus on a culvert and add gravel to the road. Still in question is Pasture Path and the drainage problem cause by the super slope of the road. Kevin will be addressing this problem as well.

Paul Jadis is still working on the transfer of the web hosting of the Town's web page and the issue of the Town office inability of sending emails to anyone with a Gmail account.

The meeting adjourned at 8:20 pm
