

Randolph Forest Commission

June 6, 2022

(Special Meeting)

Members Present: John Scarinza, Laura Brockett, Mark Kelley (by video)

Alternates Present: David Willcox

The chairman called the meeting to order at 7:00 and asked David to sit for Walter. He noted that the sole purpose of this special meeting was to decide which of the bridge installation bids to accept. Five companies took part in the site viewing, but only two submitted bids. Of these, the lowest bid was submitted by Albert Cloutier, LLC of North Stratford, NH.

The Commission members considered both of the submitted bids. In the end they were satisfied that Cloutier's bid of \$110,000 for installation of the four bridges on the Pond of Safety Road was well grounded and reasonable. Laura made a motion to accept it. Her motion was seconded by Mark, and all members agreed.

There being no further business, the meeting was adjourned by general consent at 7:28.

Respectfully submitted

David Willcox
Acting Secretary
