DISCUSSION ITEMS AND MOTIONS:

Michele Cormier asked Bill Arnold for details of replacing the well pump at the town hall. Bill stated that the current system is a 2-wire system with the pump in the well, which was code at the time the system was put in place. Bill added that a 3-wire system with the wiring placed in a conduit would be more efficient and bring up to the code that is now in place.

John Turner moved to authorized the Board of Selectmen Chair to enter into an agreement to settle litigation of the faulty bridge on the West End of Durand Road. Michele Cormier seconded. All agreed.

REEP – Randolph Energy Efficiency Project committee has presented an estimate on replacing the lighting in the town hall with LED lights. The board stated that an additional estimate would be needed and asked Linda Dupont to contact Jason Berry at Vaillancourt Electric for an estimate.

Michele Cormier reviewed her meeting with Chris McAuliffe of Granite State Glass, who gave an estimate of \$2000 to make repairs to the front door of the Town Hall and closures for the meeting room door. John Turner moved to contract Granite State Glass to make the repairs. Michele Cormier seconded. All agreed.

John Turner moved to continue with the PA-28 – Property Inventory Forms for 2023. Michele Cormier seconded. All agreed and signed the form to notify the NH DRA Property Division.

Linda Dupont informed the board that Anne Kenison has received several inquiries, as to when the Ravine House Pool boards will be in place and residents will be able to use that area for swimming. The board stated that the pool would be open prior to the 4th of July weekend. Linda stated that NH DES took water samples on June 7, 2022 and the samples have passed.

There have been reported concerns over the movement of unregistered vehicles on Randolph Hill Road from one property to another creating an “Unregistered Junkyard”. The board will be investigating and looking into NH RSA’s concerning this matter.

The meeting adjourned at 7:35 pm
