Approval of Minutes

On a motion by Kevin Rousseau, seconded by Tim Mather, the minutes of the June 2, 2022 meeting were approved as submitted.

Cote Subdivision

John Scarinza advised that the road is still being worked on for the Cote subdivision. Although they have had some interest, none of the lots may be sold until after the final inspection by HEB. The Cote's have decided not to go underground with electrical service due to the cost and the lack of availability of transformers.

Other

Robert Ross advised that the pad has been poured for the Johnson's garage.

Adjournment

The meeting was adjourned at 7:08 pm by general consensus of the Board.

Respectfully submitted,

Shelli Fortin
