

Town of Randolph

Planning Board Minutes

September 1, 2022

Members Present: Robert Ross, and Kevin Rousseau

Members Excused: John Scarinza, Tim Mather, and John Turner

Public Present: Burke York

There was not a quorum present, so it was a non-meeting.

Subdivisions

Burke York advised that he will be coming to the Planning Board with two subdivision requests. One is for the Finney's on Pasture Path to subdivide 2 acres off of the parcel that were added several years ago. The other is for the Adams on Durand Road who would like to subdivide the lot for a family member, this will be a 4-5 acre piece, possibly two pieces. Mr. York advised the wetlands are done for the Adams subdivision.

Other

Kevin Rousseau advised that the town may be contacting Mr. York in reference to surveying Pasture Path to find out where the town's right of way ends.

Adjournment

The meeting was adjourned at 7:22 pm by general consensus of the Board.

Respectfully submitted,

Shelli Fortin
