Selectmen Cormier read the Warrant to be voted on and reviewed the procedures that needed to be followed.

Opened the floor for questions and discussion.

Gary Newfield asked for clarification – vote YES to cure and NO to deny.

Barbara Arnold encouraged to approve the cure.

Paul Cormier asked if the polls will be opened at 5:30 pm on June 19, 2023.

Michele stated the Warrant will be read and then voting will commence.

Asked if Moderator David Willcox would begin with one of his stories.

This is unknown how the Moderator will open the meeting.

Selectmen Cormier stated the job was awarded to GW Brooks and work will begin in the middle of June.

Wayne Milette asked about the tax impact. Selectmen Cormier stated around \$1.30 per thousand. However, the Selectmen's office is looking into Grants to cover the three culverts and ditching of the road to ease the impact.
