June Hammond Rowan reviewed the 10-year plan with the board. North Country Council is soliciting a project for the NH DOT 10-year plan and June proposes the town to resubmit their proposal of the left-hand turn into Ranoldph Hill Road hazard. The town submitted a proposal two years ago and it scored #3 and the top two were funded and completed. June is proposing to resubmit, including letters of support from the Board of Selectmen. Michele Cormier proposed to support June in doing this for the town. All agreed.

Michele Cormier reviewed issues with the Gorham EMS agreement, after discussion. Paul Jadis moved to sign the agreement with Gorham. Michele Cormier seconded. All agreed.

Building Permit was approved for a garage and deck for Marty & Elizabeth Johnson. They agreed to continue the PA-28 Property Inventory forms for 2025, and PA16 USA Property Inventory for the 2024 PILT, and signed the Gorhm Water and Sewer contract for 2025.

The board reviewed the Police Assessment and the presentation the board will be presenting at the Public Meeting to be held on July 10<sup>th</sup> at 6 pm.

The board received a request from Cecile Mathers on behalf of the BiCentennaial Committee regarding parking for August 3<sup>rd</sup> and 4<sup>th</sup>. In lieu of Parking at the Ravine Pool Area, the board is suggesting shuttling people, contact Tri-County or ask for volunteers. Approved the closing of the East End of Durand Road for the Parade.

Rick Fournier reviewed the issue of uncontrolled dogs on Raycrest Drive. Out of ten dog owners on Raycrest around five are problematic. Linda will send a letter to all animal owners on

Raycrest with copies of the NH RSA regarding the responsibilities of dog owners. Hoping this will curtail the problem and restore peace on Raycrest Drive.
