13-24 Building Permit – Eusden – 24 x 28 Garage was reviewed and approved.

Paul Jadis updated the board on the progress of the FEMA Grant from the December 2023 Heavy Rains.

Looks good on paper. Category A has been completed and submitted.

Cat C is the Upper Randolph Hill Road, Boothman Lane, Durand Road, and the Ravine House Causeway. Baillargeon Road Culvert Failure is separate by itself. Paul and Linda have been attending weekly Microsoft Teams meetings with FEMA and Homeland Security pursuing assistance of 75/25%.

Lee Corrigan is busy demolishing the Lowes Cabins, they are behind a week and Lee is working on a breakdown of materials for repairing the lower portion of Randolph Hill Road.

Katie Kelley will be holding a Public Meeting on CPCNH (Community Power Coalition New Hampshire) at the Town Hall on September 3rd.

The board discussed and agreed to go with the no-cost study recommended by the REEP Committee.

The board received a letter from Charlotte Winchell and William Woodruff requesting to unmerge their lot located on Randolph Hill Road. This lot was previously merged back in the seventies by the town to condense the paperwork. NH RSA allows any lot that was previous merged to be unmerged at the requests of the landowners. All agreed and approved that the lots be unmerged.

New Hampshire Revised Statutes Annotated (RSA) 674:39-aa allows owners to request that lots that were involuntarily merged before September 18, 2010, be restored to their pre-merger status. This includes lots that were merged for tax purposes. Owners can request this restoration from the Board of Selectmen.

Rick Fournier advised the board that Ray Cotnoir has brought the police radios to Osipee to be serviced and brought up to date. He will be getting a quote for placing an antenna on the town hall to help boost the signal when needed.
